

L'huile des records du monde

VX 100 - SAE 20W-50

Top of range mineral oil for Gasoline and Diesel engines

USES

Particularly developed for turbocharged or normally aspirated Gasoline and Diesel engines used under any kind of driving conditions : road, highway, city traffic. Provides excellent lubrication and protection, particularly in hot climate. Compatible with catalytic convertors.

MAIN PHYSICAL DATA

		Units	20W-50
Density at	20° C	kg/m ³	891
Kinematic viscosity at	40° C	mm ² /s	170
Kinematic viscosity at	100° C	mm ² /s	18.2
Viscosity index			119
Pour point		° C	- 27
Flash point Cleveland open cup		°C	235
Dynamic viscosity at	- 15° C	mPa.s	8800

The data given in this table are typical values from production and cannot be specifications in any case.

PROPERTIES & AVANTAGES

- Good level of detergency and dispersivity
- Outstanding anti-wear action
- SAE 50 grade provides increased high temperature performance.
- Keeps the engine clean
- Extends the life of the engine
- Low volatility allowing a reduction of oil consumption

SPECIFICATIONS

ACEA A3/B3

API SL/CF

VX 100 20W-50 meets and even exceeds the performances required by API and ACEA.
