

L'huile des records du monde

SHAMPOOING TISSUS

Fabric restorer

USES

Very active, this product is recommended to restore the fabrics present in the interior space. It gives back a new aspect to dirty or quite old fabrics.

PROPERTIES & ADVANTAGES

- Penetrates and cleans very efficiency
- Antistatic action, protecting and delaying the clogging
- Gives back their colours to the fabrics

DIRECTIONS

1. Wiggle the aerosol
2. **Spray at 30 cm from the support**
(Yacco recommends to make a test to check the resistance to the dye)
3. **Leave it dry** until you get dusty residue
4. **Use a vacuum cleaner for the dust**
5. If difficulties, **rub gently with a non-abrasive sponge.**
